## President's Message -

CFRTU's recent activities and engagements revealed our Current ByLaws to lack clarity or guidance for several aspects of our Chapter's contemporary operations and activities. The CFRTU Board of Directors appointed a subcommittee to review our Current ByLaws to identify areas needing revision. This yielded a major revision of our ByLaws which was recently approved by the CFRTU Board of Directors for submission to our Membership for review and vote on approval for adoption. This issue of our Newsletter is devoted to presentation of the Proposed Revised ByLaws to our Chapter membership for review and special vote on their approval for adoption.

The Proposed Revised CFRTU ByLaws includes additional detail and clarification on key aspects of Chapter operations, procedures, duties, and documen-

tation for Chapter and Board decisions, expenditures, and activities. Key areas of change include:

- 1) Clarification of Chapter Officers, their duties & terms of office, and their service on the Board of Directors.
- 2) Clarification of procedures for nomination, election or appointment, and filling of vacancies for Chapter Officers and Board Members, & their terms of service on the Board of Directors.
- 3) Increased documentation of Chapter and Board of Director decisions, actions, financial transactions or expenditures, and authorized activities.
- 4) Establishment of key commit-

tees for leadership of Chapter activities, events, or functions.

These Proposed Revised ByLaws are aimed to encourage and broaden membership involvement, knowledge and expertise, & leadership in Chapter activities, functions, or operations, and to develop a member-wide leadership core as recruits for Chapter officers, Board members, or program or activity leaders.

We seek the review and approval of these Proposed Revised ByLaws by our membership in a special vote to be held at our earliest Chapter meeting opportunity.
